“ My sweet Carolyn. Oh, the times we shared. I was at your house or you were at mine. We were truly sisters in so many ways. My heart is saddened that I will never see you on this side of heaven again, but I rejoice that you are finally at peace. Rest from all of the toil and trouble on this earth. Your season is over, now relax. I love you.

“ Miss you "Frenchie" We have had ups and downs and the UPS we have tons of and more of them than down. You are in a better place, no stress, no hurt, no distress. I will always remember you and your smile and humor. You were one of the most smart women I have ever encountered. You will be missed. See you when I get there.....
