“ My aunty Carol will truly be missed. She was a joy to be around. I grew up with her for most of my life and I'm glad to know that my children got a chance to know and love her. Although we didn't share the same blood, I still consider her my family. Prayers to the Morton and Cumbus family from the Beavers family.

“ Carolyn had a motto when it came to her dressing. She had a strong liking for shoes and dressing sharp from head to toe to a point you couldn't help but notice. She would always say, "I have a reputation to keep" when it came to her appearance. She love dressing fresh with mode looks which made her look so cool. She was a people person who no matter where she went people loved her. I will miss Carolyn.

“ Carol loved singing and dancing. She would always call me with a song she wanted me to sing to here over the phone after learning it immediately.

She was the Queen of ballroom dance. Carol taught her Nieces, Nephews, and a few siblings the art of ballroom dance and loved every moment of it. I loved seeing her smile as she taught the dance.
