“ You will be greatly missed Aunt Celeste. You have always been a foundation for me, not only to reflect back on the past, but to also keep the memories alive. Your feet have kept me planted and close to my roots for so long. I have memories of so many when I look at you, so heart warming, and you would have memories and always would mention my dad John to me, whenever you looked at me. I am so glad that memories live on forever, because you will be in mine, until we meet again.

Love you,

Ardythe
