“ I am so sorry to hear about your loss. You are always in my prayers. God will walk with you during this tragedy. But Remember Tae is not gone. His spirit and life lives on through others. He will always be here spiritually, looking down. You'll see him again. He was a great person who did right by the lord. When he died, it was raining, therefore he is in heaven with his father; and he will take very good care of his child. Stay Strong! I Love You All!

“ Hello,

*My name is Pamela Traeye. I just wanted to take this time to offer my condolences to your family. The death of a child brings out emotions and questions in us that no one can pretend to sympathize with. I just wanted to let you know that God did not want your child to pass away and in due time, "He will actually swallow up death forever, and the Sovereign Lord Jehovah will certainly wipe the tears from all faces..." See, God will do away with death. Jesus offers us further hope of a resurrection at John 5: 28, 29. He states: "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out." Jesus resurrected many children back to life as mentioned in the bible and like those parents you too will be beside yourself "with great ecstasy." - Mark 5:42, Luke 8:56. There will be a day when Jehovah will provide relief from the pangs of death as mentioned at Rev 21:3, 4, "And he will wipe our every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away. Please, if you want to learn more about God's promise of doing away with death, feel free to contact me via email.
