“ Thinking of you and sending love your way, as you celebrate your first birthday in Heaven. Thank you for all you've been in my life...

No Matter What

*No matter what, I'll never forget you
Come what may, I'll be thankful too...*

*For you taught me what it means to be strong
To find deep within, my very own song.*

*There is a quiet strength you seem to find
Even during the worst of times.*

*Calm, determined, focused too-
Truly, big brother, I admire you.*

*How you do it, I'll never know
But your example has helped me grow.*

*I wanted more time- I'm not ready to part
Just know that you'll always be in my heart.*

*I wish for you in Heaven, what I wished for you here-
Happiness, peace, love and cheer.*

*I'm blessed with the memory of your smile...
Intelligence, artistic ability and classic style.*

*Thank you for caring, sharing and being sincere
For being a brother I'll always hold dear.*

*Take with you my goodbye hug and kiss
Loving you forever, your grateful little sis.*
