“ *As the days turn into night, so shall the living return to whence we all came from which is God.*

Its with a sad heart that I say farewell my friend for all that you have done for my family, more especially for my son who has come to know you as a friend,uncle and just an all around good guy who was always there when he needed a ride, or anything.

Peace my friend and may you find that great Party in the sky with God and Dr.Disco.
