“ I worked with Charles at the Dream Hotel. I came in as a temp and Very inexperienced Chef Charles did an amazing job teaching me so much. he took pride in his work and made me respect the art of cooking for a while I was the only one who was a chef so I took a piece of tape and wrote chef Tey on it. everyone of course laughed but Chef Charles saw it and smiled. from that day forward he only called me chef Tey. he was such an amazing person I used to look at him and say what an beautiful being. Breaks my heart he left so soon but God needed an angel. I will always remember you. Rest well love.
