You would always call me or txt just to say hey niecy or I love you nece. Knowing that I won't be able to hear your voice or receive any more texts from you is hard. I still have your txt from last Thursday saying love you nece I will always keep all your text messages. “ Charlie this is your baby sister Bobbie Doll, you gave me this name because you thought I was so beautiful. But let me tell you there's nothing like the beautiful I have lost in you!!! Words cannot express your loving spirit/heart, priceless smile, amazing love you had for your friends and family, handsome, intelligent, your love for jazz, sports...etc. The bottom line my big brother is I will see you again and you will live forever in my heart. The pain of losing you too soon is heartfelt , but God wanted you, now. Our family would like to thank everyone and Lawrence E. Moon Funeral Home for showing the love of Charlie. We weren't surprised by all the lives that he touched. He was that kind of guy!!! Love you, love you, love you Chucky Cheese!!! P.S. Thank you God for allowing us to have your child/creation for the time you gave to us it was well worth it!!! AMEN, AMEN AND AMEN!!!
