“ I remember when Chester came over one day stating that he had never had a puppy in his life. I said take Sassy home with you for a couple of days and I bet you will fall in love with her.

Chester fell head over heels for Sassy 😍 he wanted to pay cash for her but I would not sell my sassy. But he did by himself a poodle from me and named her" Babe ". From that day forth Chester continued to play a big role in Sassy's life a parent.

Thanks Chester for being so loving and helpful, vet visits, food coma grooming, I can go on and on thanks for walking this journey with me and Sassy Jazz Dillahunty rest in heaven I'm sure you will find Sassy there !

One day Chester came to my house., he said he had never had a dog in his life. He was undecided if he would enjoy owning a pup of his own. I said take my dog home a couple of days and i bet you'll fall in love with her. When Chester came back he wanted to buy Sassy Jazz from me, but I said no and sold him his first pup BABE. But from that day forth he acted as Sassy's sole parent... tending to her every need. I just want to thank God for allowing me the privilege to meet Chester. It was an honor to meet such a great man. R.I. H. Sassy is there Chester.
