“ At this time of great loss and sadness, I wanted to pass my condolences to all who are mourning the passing of Chris. I was fortunate to have met Chris through our employment at Daewoo Int'l America. He was one of the most motivated and high-spirited people that I have had the honor of knowing. While he will be greatly missed by many, his memory will remain strong in the hearts of those who knew him. May his family find comfort in knowing that Chris touched many lives and I personally will never forget him.
