“ I met Chris in September 2000 at the Bloomfield Costco where we were both employed. I believe he was the Majors Supervisor at that time. I only worked there for a year, and then got promoted to a management position at the Madison Heights location. Chris was fun to be around. I used to sing silly songs to him, just to see him smile and laugh. His laugh would make me start laughing. I couldn't believe it when I heard of his passing. He had such a great career, was young and well liked by hourly and other Costco managers. My sincerest condolences to his family, and friends and co-workers at the warehouses he worked at. He will be missed, that is for sure; one thing is certain... that now he rests with his Lord, His Father in heaven. Xo Amy MCGovern

“ I met Chris almost 13 years ago and we became instant friends. His laugh and smile would lift me out any funky mood I was in, and we'd hang out at just about every Restaurant imaginable in the Pontiac and Auburn Hills area (that man could eat!!!!). He was also one of the few brave souls who allowed me to cook (or experiment) for him. Buddy, you were my rock when nobody else cared, you saw me rise from the bottom to where I am today and your love and strength helped me often. You will be missed and my love to the entire family and his friends.

“ Chris hired me into Costco. In fall 2008 I was working for FedEx and I just exited the building to go home when my phone rang. I had recently put my cell # in the do not call list. I answer and Chris is asking for me while butchering my name. In a very aggressive tone, I ask, "Who is this?!" Chris quietly responds, "This is Chris Turner calling in regards to an application you put at Costco." I felt very bad and thanked him for calling me. He always looked after me at the warehouse like an older brother would. His loss deeply saddens me. My thoughts and regards are with the Turner family.
