So many great memories I have with Clara...growing up next door I spent so much time with the family. She always made me feel like I was part of her family... she will truly be missed by all. She had a smile that would light up any room. My thoughts and prayers go out to her family during this difficult time.

You Always was a loving, kind, patient, humble, helpful, empathic  
Sister, In my times of need I would first Pray to Jehovah then call
