“ *Uncle Cliff you were one of a kind. I will always remember all of our talks, and all the things you did to make me smile. I felt your love always. Thank you for being one of the best Uncle Cas & I could ask for. You were more than Uncle, you were our brother and friend. Cas and you grew up together, you always said I were over their house more than my house in Miss. Thank you for sharing stories of my husband childhood with me, you knew how to make me laugh. Cas and I called you our Big Baby because you were that special to us. You will always and forever be in our heart, we love you so much. We will miss you but we know you are our Angel now. Love You Uncle Cliff(Big Baby)*

“ My Beloved Brother Clifton (Cliff) baby boy of the Green Siblings, though I'm sad to see you go and your time us up here on earth, but I have Joy in my Heart that you have gone home to be with Our Lord and Saviour Jesus Christ. You have a Brand New Body, No More Sickness and No Disease, No More Crying or Worries, No More Pain and Suffering. Growing up you were like the class clown, always doing things to make me/us laugh. Those are the memories I will have of you and many more. I Celebrate Your Life, Your Home Going to Heaven.

We use to laugh when you would say "I'm the baby boy in the family and I would say and I'm the baby girl in the family" LOL! Those Sweet Memories of You ba-brother....

What a joker and comic you were growing up here at home, playing kick ball in elementary school at recess you'd kick that ball wayyy over the fence and you were a baller in basketball in middle school, the girls/cheerleaders loved you, nobody picked on me bc they knew Cliff Green was my brother...rolol!

I could never score or beat you playing HORSE in the back yard, you never missed a shot in that basket, you could make a shot with your eyes closed or backwards and still scored, could never figure out how you did that! Actually you put the basket ball goal up in the backyard bc you were the neighborhood basketball superstar, too many neighborhood kids were coming over and daddy made you take the goal down, lol, you were a silly daredevil and sometimes would scare us, but you did it all in fun, you taught me how to roller skate down the street and down the big heels, you were a jack of all all trades, fix cars, kept the lawn up at home, helped our mother do the landscaping, painted the house, shoveled the snow, clearly you enjoyed doing those things, and the list goes on and on....you were gifted with self taught handyman talents. Well, dear brother your time is up on earth now, we will deeply miss you Cliffy!
But Oh Happy Day For You.....
