“ *My condolences to the Clifton Walker family. I know these are sad times but the Bible speaks clearly when it reads, "weeping may endureth for just a night, but joy cometh in the morning ". In remembrance of Clif during these times I remain joyful and proud knowing that he is truly in a better place. " Absent from the body, he is present with the Lord". Rest Clif, you have fought the good fight and ran a great race. You were an example for all that came in your presence. With love and admiration I write these words as a witness to man you are. With love until we meet again your big brother "O".*

“ *Clifton, The Honorable Cynthia Thomas Walker and The Walker Family:*

My family and I were truly saddened to learn about the passing of Clifton. He was a wonderful man who I personally learned much about from you, Judge, and my brother, Brian, who was friends with Clifton since childhood. The times that I saw Clifton, he always had a smile on his face and was such a joy to be around. May God bless and keep you all in His care. Lean on Him for strength and understanding during your hour of bereavement. You all have a lifetime of memories that will keep him alive. Clifton may be gone, but never will he be forgotten by all who knew and loved him. Sending love, hugs and prayers to you all.
