“ *Clinton it still feels unreal that you left me so soon. You were so sweet and innocent. Knowing you since middle school has always been a great pleasure . I've been thinking about the times we shared it wasn't many but it was a good thing to remember. You always found a way to make me laugh . I sometimes regret not listening to you saying "come see me or pull up" lol. Im going to miss our random conversations we had. I just pray you watch over me and your family. To the family I am truly sorry for your lost I pray the most high gets you through your time of mourning. May he forever be with you in your hearts and mind. I love you Clinton and I will miss you rest easy my baby forever*
