“ Sis, I am praying for you and the family. I know that God will see you through today, tomorrow and the days to come! I want you to know that I am here and will always be no matter how far we are apart. Sis, please take comfort in knowing your beautiful mother is no longer in pain or suffering, (mom) is doing better than us. I pray your continued strength and I know our God has you and your entire family. I love you and there's nothing you can do about it! God bless. Love Liz Burton and Family!
