“ Louise was a wonderful person in the life of my family many years ago in the 1960s and 70s in Michigan. We all really enjoyed and appreciated her, and spending time with Dolphus, too, when he was occasionally there with her. She had a great smile, good sense of humor, was a hard worker and considerate soul. Though I have not seen her in more than 30 years, I have always wondered how she was doing and hoped she and the family had a good life. Thanks to Dolphus for contacting my brother to let us know. My sympathies, best wishes and Blessings always to Dolphus and the whole family. I am sure she will have a great time in Heaven.
