*"Cynt" and I would talk about a world, without tears. And I Would ask "Cynt" and since such a world before you now lies, would you like to live in such a paradise? And share all the blessings that God has in store, For all who would do his will evermore? By telling the Good News of God's Kingdom Government, praising our God, our savior and king, giving to Him all we have, everything. THAT we might live throughout endless years, In a world without sorrow, "A WORLD WITHOUT TEARS," THINK! Just as God's word is the truth...Of a world Where the dead will have risen, From their silent tombs that held them in prison..To forever live to love and caress, Their loved ones and friends in righteousness. IT was my privelege to know such a kind generous person. My friend Cynthia.

“ *My condolences to the family and friends of Ms Cynthia Watkins. Death of our loved ones causes such a deep sense of loss. Death was never a part of God's original purpose for mankind, that is why he sent his Son to die in our behalf, so we might have the chance to live forever. James 4:8 states "Draw close to God and He will draw close to you", one way to do this is thru our precious privilege of prayer.*
