“ Me Daisneekqua were talking for about a year before we stopped in 2016. Just found out she died. She was really so nice and sweet and had a big heart. She did cummunity service and always talked about helping people in criminal justice. Life isn't fair this girl was special. RIP

“ Saddened my heart to learn my Great Niece passing. It takes a village to raise a child, support a child be there for that child. I am deeply saddened because the village failed you. I hope you found peace and know that you Dasha will never be forgotten. I only wish we had the opportunity to really get to know you on the Jones side of the family❤️
