“ I can recall when you were a chunky lil' baby with many long ponytails. I ask and ask why but then I recall that God had a perfect plan for you. I know that your soul is at rest and your heart flutters.

“ I have known Daja for over 5 years, teaching her 2 years at Lincoln and 1 at the Lighthouse. Daja would do anything I asked her to do. Daja was intelligent and full of fun. I have asked God to touch this family and continue to reveal his strength and power to you. God is your source of comfort and peace, call upon his name and he will give your mind and spirit rest. I pray that God strengthens you and that you run to him. Be blessed and know that you all are loved.
