“ Damon was my friend for 27 years. When I first met him, his infectious smile and larger than life personality is what caught my attention. Damon had. a heart of gold and we have been through so much together. He was my best friend. He loved the 4th of July and we went downtown to see the fireworks a few times.

I will miss you so much and you will always have a special place in my heart. Like a firework, you will forever be a light in the sky. Rest in peace, Damon. Your spirit will never be forgotten.

“ My prayers and virtual hugs to Michelle and family. God's plans aren't always our plans, but he is in control. I pray for your comfort and strength during this difficult time. It hurts losing a sibling. This I know. Love you much
