I know how hard this is really hard on you guys but he knew how much he was loved and he will always be with us, right in our hearts. I would still like a shirt to keep him in my memory, if possible. “ Daniel (lil Chuckie) on the Rug Rats. Daniel some people did not know you....but I did. I knew your deepest secrets and who Daniel really was. I know you loved God, but could not sometimes get as close to him as you wanted. I know you aspired to be and do many things but your "choices" altered all your plans. If we could go back and change the hands of time I would have stole you away from Pontiac and took you far away. I promise you this....I know who, where and when. You know I know. I tried to halt this trouble but could not. I promise you nephew that we (family) will not stop until each and everyone of the young men who had a part in this terrible act are found and prosecuted.

Emphatically love you kid!!!

“ What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch, we may not understand why you left this earth so soon, or why you left before we were ready to say good-bye, but little by little, we begin to remember not just that you died, but that you lived. And that your life gave us memories too beautiful to forget.
