I will remember that day forever, because I hadn't seen you in a long time, I was glad, and so was you. Well, as we all know, God don't make any mistakes. He needed you, and that's a blessing.*

“ Uncle Pooh although we lived several thousand miles away no matter the distance you always was near to my heart, an uncle that I love and will forever cherish. I remember several family reunions back I had the opportunity to stay with granddaddy and grandma and I was able to spend time with you and my cousins and aunts, and I tell you it was the best memories/time of my life. Uncle Pooh, I look up to you in more ways than you know and forever will. I miss you and will always carry a special place for you , ❤️ With all my love.

“ To My Brother; I know we didn't grow up together but when we met it was like we had those childhood memories that brothers share growing up together, I will hold on to every memory we have shared, I love and miss you so very much. Love Cardell Jr.

*Poem: Today is full of memories of a Brother laid to rest and every single one of them is filled with happiness.*

*For you were someone special always such a joy to know and there was so much pain when it was time to let you go.*

*That's why this special message is sent to heaven above for the angels to take care of you and give you all my love.*
