“ You were the first person that stayed yourself. You retaught me a lesson I forgot. Don't judge a book by the cover. I was surprised when you kept your word after moving here and being let down by everyone We gave a chance. You were a friend and counselor when I had nobody. You talked me down and had my back. You were my best friend for over a year. Even though things happened we still had love for you. You had a huge heart and deserved a better life. I'll see you on the other side DAVE. 🤝🏿🙏🏿✌️
