“ *Gods Eternal Strength & Comfort to the immediate & extended family of Deanna *Mookie* Dixon & Aunt Jean both of whom I was not aware of transitioning. Mookie, Miss Jabberwok (DST), was Truly Gifted with a Heavenly voice of song and melody. Loved & Known by many. Treasured childhood friend from 1986 (PCHS).*

“ As time has passed, I find comfort in knowing you're in a better place. We've shared so many memories during our years as one and I'll forever cherish every second of them. I never imagined I'd be writing a tribute to you on this platform, never imagined not ever being able to talk to you on this side of reality this early in my life. We always promised eachother we were together forever and youre definitely keeping that promise because I do feel your presence at times. I love you Bae and no one will ever compare to my Forever, my Soulmate, my Bestfriend aka YOU! Our Love was real no matter what and I'm forever grateful that you've shown me what the true meaning of Love is. Until we meet again... oxoxoxox! 🦋

“ Mookie, girl you were everyone's light with your big beautiful smile, infectious laughter, encouraging words and melodic voice!!! Everything you touched was golden from the soles of your feet on the track, to the brush in your hand for those nails, to your arms the way you embraced the ones you loved or didn't even know, the heart you had loved everyone now matter what-you were an amazing mom/friend/daughter/cousin/sister-person period!!! You are missed now and forever!!
I love you Mookie, like everyone this hit me hard(you were the one who truly inspired me unknowingly to go back to doing nails-thank you-Imma make you proud)
