“ De’Ja’s family and friends:

We are deeply grieved with you in the loss of your dear De’Ja. The grief in your hearts perhaps is beyond words. 💔

We know that Jesus Himself is grieving with you, and He is aware of each tear and ache of your hearts. He loves you and cares about you even in the deepest valley. ❤️

We thank God for precious De’Ja.

We care about you and we are here to help how we can.

Sincerely,

*Pastor Devin and Lady Cortney Gough and

“Jesus said to her, “I am the resurrection and the life. The one who believes in me will live, even though they die; and whoever lives by believing in me will never die. Do you believe this?”

John 11:25-26

“For I am convinced that neither death nor life, neither angels nor demons, neither the present nor the future, nor any powers, neither height nor depth, nor anything else in all creation, will be able to separate us from the love of God that is in Christ Jesus our Lord.”

Romans 8:38-39

“ Dae-Dae I know I told u often but u were always so occupied with your phone I don't think u always heard me, I hope u knew how much I love u & how proud momma was of u. U were everything I could've ever wanted in a daughter & I am so PROUD & Privileged that I was blessed with the title of being your Momma!! Without u I feel like half of myself was taken away from me with u. My beautiful daughter!! Please try to find peace in knowing that i will go on loving u as if u r still with me. I know I don't have to say this, but I will still go on helping raise your babies only they will need me more now than before. Just like u needed me to fill in for their daddy, I will forever now make sure they have a mother figure. I will always tell them and remind them about how much mommy loved them.

One thing that I will say is that their father has always been there. When he had to go away, we the family have ALWAYS been there and when he came back, he never missed a beat
