“ *I didn't know you well, but I have come to know your sister Yvette, a very nice person in her own way. It is always sad to lose a brother from this earth. Yet, it is great to know that greater things lay beyond. For this is not the end. It is the beginning of what I believe to be our greatest chapter. Your voyage will be pleasant as will all of our in our own time. Love all and you're always at peace. And will always be with your family and friends dating back to the beginning of time. Melford Lee Crumb, your struggling brother.*

“ My dearest brother Oscar,  
You've only been gone from us a few days ago, and it seems like an eternity. God sent his angel to whisper in your ear, "Come home my good and faithful servant, your work on earth is done!" I love you so, so, so, much, and I thank God for the time I had with you in my life, and heart!!!! You will truly be missed!

“ THIS POEM IS DEDICATED TO MY SQUIRT

*Me without you,  
is like a leafless fall,  
a snowless winter,  
and a flowerless spring.*

*Me without you,  
is like a colorless rainbow,  
a sunless day,  
and a starless night.*

*Me without you,  
is like the ocean without a wave,  
the beach without sand,  
and a flameless fire.*

*Me without you,  
is like a book without words,  
a man without a face a child with no name,  
I will love you always.*
