“ My first cousin, *A Legacy of Love and Strength: Junior Carey*, God looked around his garden and found an empty space. He then looked down upon this earth and saw your tired face. He put his comforting arms around you and lifted you, "A beautiful flower" , to rest. God's garden must be beautiful for he only takes the best. He knew you were suffering; he saw the road was getting rough and the hills were harder to climb. So, he closed your eyelids and whispered, "peace be thine".
