“ *Deborah and I shared many moments and conversations. We also recognized each other as very close friends. She was was like a big sister to me. Words can't express what I'm feeling as I write these words. I truly LOVED her and will miss her dearly. She was a great encouragement to me. No matter how much time went by between conversations she always made me feel as though we had not missed a day. To the family my prayers and condolences go out to each of you. Mr. H. Orr my heart is full and just know that the both of you will always remain in my heart as two people who truly Loved God and each other. Thanks for being that wonderful person to her. Shaun, just know that she cherished you and was so proud of you. I Love you all.*
