May the peace which comes from the memories of love shared,
comfort you now and in the days ahead. I had the pleasure of

“ *My thoughts, prayers and love to the family during this time. I am so
grateful for being a part of your life the last 30 years. We shared
quite a lot of laughs and some tears during this time at work. I guess
that's why you said we were truly sista's.*

“ *My deepest sympathy to Deb's family and friends. I had the pleasure of working with her for 5 years at the Waterford branch from 1995-2000. She always had a smile and a kind word for everyone. She will be missed in my heart but I do know that she is with our Lord because of her strong faith. May God bless and comfort all of you.*

“ *Farwell Poem For My Friend:*

*Farewell my friend you're leaving
It's time for you to go
Your friendship was a blessing
And I will miss you so
We shared so many secrets
You brightened up my days
You brought me so much happiness
With your kind and loving ways
You lifted up my spirits
When I was feeling blue
No matter what was happening
You knew just what to do.*

*God is here to take you home
Now you and I must part
I love you and forever
You will live within my heart.*

Until we meet again my Dear Friend.

*Love,
Karen (KP)*

“ I am sorry to hear of your loss. May you find comfort in family and friends at this difficult time. The Bible gives hope that soon our Creator Jehovah God will end all suffering, pain, and death. And we have the hope of being reunited with our loved ones that have passed away. Rev 21:4, John 5:28-29. There will be many of those asleep in the ground of dust who will wake up to indefinitely everlasting life.

“ The Heavens has opened up and received another beautiful Angel. Deb has done so many things. . . unselfishly and lovingly. . . Always putting others before herself. She was devoted, caring and Oh so Dear . . .
Little bits of love and grace creates a warm a peaceful place inside the hearts of those who know her!
She will truly be missed. Love you Deb

“ I am so saddened to hear of Debbie's unexpected passing. My heart goes out to her family for having to endure such a painful loss. I have had the pleasure to have known Debbie since 1979 when she was my "trainer" at the downtown Pontiac AAA office when I was first hired into the company. She was a dear. All of us in the office grew up together and had many good times over the years. Although I haven't worked with Debbie for several years, we kept in touch and always greeted each other with a hug. Her warmth and bubbly personality will be missed. Take Good Care.
