“ You have always treated me like i was your own child. I will miss you dearly auntie Debbie, I hope your transition into heaven was peaceful. I can't believe im writing this, im in Denial about you not being here with us anymore. I wish i could of came and got you like you asked me last month, that way we could of spent more time together. But we had over 30 good years together and I'll cherish every memory we have together. I love very much.. rest well my love
