“ *Dear Sakura, Decatur Jr and Family,
I was so sorry to read in the Current newspaper about the passing of your father. I couldn't figure out why I hadn't seen him and didn't receive his annual Christmas card..plus the paper was going in the wrong driveway! He loved to stop and talk when he delivered the paper and was so conscientious to make sure I got it.*

*I'm so happy the newspaper article honored his service and life.
May you find comfort in all the happy memories,
With heartfelt sympathy,
Lynnette Rajala, Cold Spring*
