“ I'm sending a dove to Heaven
with a parcel on its wings
be careful when you open it
it's full of beautiful things

Inside are a million kisses
wrapped up in a million hugs
to say how much I miss you
and to send you all my love

I hold you close within my heart
and there you will remain
to walk with me throughout my life
until we meet again. I love you nephew.

“ Wow, I'm in shock! I hurt so bad, for our son. I understand we had our difference when we were younger, but we created such a handsome smart young little man. Your son is 10 now and looks just like you and act a little crazy like you 2. He doesn't know much about you, but now when he prayers at night I will tell him, you are watching over him in the heavens. Despite it all, I love you and thank you for our first born, D!

“ *When you wonder the meaning of life and love
Know that I am with you
Close your eyes and feel me kissing you in the gentle breeze across
your cheek
When you begin to doubt that you shall never see me again
Quiet your mind and hear me
I am in the whisper of the heavens
Speaking of your love.
When you lose your identity
when you question who you are, where you are going;
Open your heart and see me.
I am the twinkle in the stars, smiling down upon you.
Lighting the path for your journey.
When you awaken each morning, not remembering your dreams,
but feeling content and serene,
Know that I was with you, filling your night with thoughts of me.
When you linger in the remnant pain, wholeness seeming so
unfamiliar, think of me.
Know that I am with you, touching you through the shared tears of a
gentle friend easing the pain.
As the sunrise illuminates the desert sky; as that breathtaking
brilliance awakens your spirit, think of our time together-all to brief
but ever brilliant.
When you were certain of us together, when you were certain of
your destiny, know that God created that moment in time just for us.
I am with you always.....Dee Wayne Davis Jr.*
