She was always ready to greet me with a hug and a smile! She sang like an angel and i would always say to her...Ducky God sure would love for you to sing for Him. I believe that in her quiet moments with Him that she did humm Him a tune. God Bless You All and i am praying that God will give you comfort during these tough times. ~Dianna~*

“ *Everytime I used to see her walking from the store I always gave her a ride, and I made sure she was ok when I worked at woodland heights as part of the security team. We got so close over the years I started calling her auntie then come to find out that she is my wifes auntie so that made it official. But there was nothing that I wouldn't do for auntie as long as she was ok. But to find out that she passed away hurt me to my soul! Now I know she wont have to suffer anymore and she is in a better place where there is no sickness and no poverty! I will Miss you so much auntie duckie! I love you forever auntie!*

“ *With Deep Sympathy to the Family and Friends. May the hope at Isaiah 25:8, bring the Hollis-Pearson family much comfort, here our "Most High God Jehovah" assures us that "death will be swallowed up forever and tears wiped from all faces." Our "Creator" further guaranteed that, saying" "Look! I am making all things new" (Rev. 21:5). May this wonderful hope keep your broken heart strong and encouraged (Psalms 147:3).*

“ You've lost someone that meant the world to you, and now all you can see is a big hole where your Sister ( "Duckie" ) use to be. If you let God step into that big hole you'll see Him fill it up. He will walk you safely through your sorrow and make of it a renewed tomorrow.  
Love you all,
