“ My sincere condolences to the Green family and friends. Words cannot express how saddened I was to hear about Dennis' passing. I will forever cherish the memories and love all of the Blvd families shared for one another. During the Summers, we would play all day until the sun went down or simply sit around talking and laughing. Dennis will be missed, but the memories we shared will live in my heart forever. You and the family will be in my prayers and thoughts always. Rest in peace my friend and neighbor

“ *I've know Dennis most of his life. He grew up 2 doors down from me. The block group would ride bike to the park, play touch football between my house and his on the empty house lawn. I recently had a conversation with Dennis about a issue we both shared. He was my inspiration to keep positive and look for a better alterative for my situation. I am glad have the memories of the East Blvd/In & Out block kids. Rest in peace friend. God's got you!!!*

“ *My deepest condolences to Dennis' family and friends. I never had the pleasure of working directly with Dennis, but always spoke to him when I saw him. When I was in Baltimore a few times, Dennis was there training and always had a smile on his face. He never hesitated to stop and chat with me prior to our classes. He was a wonderful soul. Rest well Dennis.*

“ I am so saddened to learn of the passing of our dear friend Dennis. I worked with Dennis at the VA in Milwaukee, WI for at least 5 plus years. Even on days when Dennis wasn't feeling his best he'd still keep that positive attitude and crack a joke to make someone laugh. I'd often diss his Detroit Lions and he'd roll his eyes at my Packers (haha). Outside of work, I knew that Dennis would enjoy dinners at Apple Bees. And during his time in Milwaukee he'd frequent my church: Christian Faith Fellowship. I'll miss our work lunches with Ms. Brenda, Ed, and Calandra and outings with our friend Angela. Dennis was a supportive teammate and a man of great character. I'm proud to have known him. He will be greatly missed. Rest well my friend.

“ *My condolences to the family and friends of Dennis Green. He was an awesome coworker and friend. Whenever I would come to the office, there was never a time where he was angry or sad. He was always happy and enjoyed life. I liked picking that very smart brain of his when I needed help with the claims process. So I loved that graduation picture that was chose for the obituary. It was a good choice because I would always call him Dr. Claims or Dr. Green. As a mentor he taught me the ins and outs of becoming a Claims Assistant. (My first job at the VA). Rest in peace my dear friend and please tell Corey and Ed up in heaven that I said hi.*
