“ Our condolences to the Bell family and extended family. We were backyard neighbors!! We had so much fun climbing over the fence and playing together. I'm embarrassed to admit all these years I only knew him as PIG (LOL)! After reading the obituary, I think I know Moochie and Sista real names (LOL). I will cherish those memories forever! Love you all!!

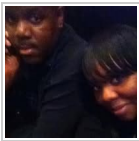

To the families, keeping you all in our prayers. May you find strength in each tear you cry.

We love you all and God bless! PIG you have earned your wings.
