“ *I remember a lot about Donald but most of all I remember he always treated me as a brother and there were very few things he wouldn't do for me, and a lot of things he did do for me. I'll always remember my brother and at this time my heart is heavy but I'm comforted by the fact that he truly is resting in peace after loving his life on life's term.*

To the family I send my deepest sympathies and condolences on their loss.
