“ I just can't believe I had to see this that predicament. I had just seen you that Monday I'm confused of the fact that you didn't tell me anything. Ive been knowing you since I was 12 years old. So loving, caring, and mouthy but never no harm. I Hate that you left us, your grand kids, your one and only child that needs you more now than ever. But I guess God wanted you home the most so I can't keep questioning. I just feel some type of way because I feel this all could've been prevented. But no matter what I'll never forget you, or let your grandson forget you. I hardly said it but I love and miss you man. It's crazy that you're not calling and bugging me for your grandson. Smh rest in Heaven love!
