“In Loving Memory”

*God looked around his garden and saw an empty space
Then he looked down here on earth and saw your loving face
He put his arms around you, and lifted you to rest
His garden is beautiful, because he only picks the best
A million times we'll miss you, a million times we'll cry
If love could have saved you, you never would have died
In life we loved you dearly; in death we love you still
In our hearts you hold a special place, no one can ever fill
It broke our hearts to lose you, but you did not go alone
For a part of us went with you, the day God took you home.*

*Love,
The Calvert sister-in-laws*
