“ Mrs. Dorothy Brooks was a loving vessel who met no stranger. She certainly had a great impact on the children and young adults in the Pontiac Community, than were dear and devoted friends of her offsprings. I was one of many individuals who were embraced by Mrs. Brooks; when it came to traveling I tagged along with her. I had a blast celebrating her mother's Birthday in Gary, Indiana and any other family functions that she was involved in. Above all, I'm grateful that the Miller/Kirkendolph - Brooks Family crossed paths with the Bonds Family.
