“ Hello and sincere sorrow. My name is Oscar Gonzales. I don't know if your mom ever mentioned but, In the 90's I made a movie and your mother Dorothy (Dot) was one of my actors playing the wife of my leading man Danny Davis. In case you want to see her in the movie is has been playing on YouTube. The Page is found under (Osray) titled "Detective Gomez Murder Mystery" The picture to look for is a blond women with a man in the background. I play the part of Jesus Gomez.

Again, My deepest Sympathy, she was a very nice person and I enjoyed working with her in the movie.. If you want more information feel free to contact me at 847-825-1028

“ Mama, I been trying to find the exact words to describe you and resilience was the first word to come to mind.

Mama you were such a blessing to us all & you will be missed unconditionally. Anytime I needed to vent about the residents you were right there to listen & give your input (always on my side) and before we would hang up you would always say “I will come down to Texas they don’t want me to come down there”

I Love you wholeheartedly & will never forget you!

We have another guardian angel watching over us

“*Mama I just have to say first that I love you so much! There are far too many memories to mention, but one I will never forget is the bond we shared watching all things Food Network. Our favorite was Beat Bobby Flay! We'd get on the phone and talk about how we ONLY like the episodes when Bobby wins. Then we'd end up talking about more and more. Each call left me cracking up. Mama you have the personality that cannot be replicated and a voice that is unforgettable. You are one of a kind! You have left us with the fondest memories of you that will remain in our hearts forever. Please know each Christmas I will still get your special chocolates just for you like always! Mama, thank you for your unwavering love and always making me laugh! Love always your Shoe-Chelly (Michelle)*

“*Mama, you have been such a bright light in my life as well as my daughter's for as long as I can remember. I want to thank you for all the wisdom you've given me over the years. Your hugs, your funny jokes, and your smiles kept everyone going. I have never met anyone as strong as you. I pray you are resting in the comfort of the lord's arms. Keep watching over us and know that you will ALWAYS be remembered as the most amazing grandmother in my book. Until we meet again -Lunkin. (Neatta)*

“ Momma, you will truly be missed. I'm so thankful you and Parker were able to play together and I'm still sorry she spilled your pills even though you didn't care lol. I remember growing up playing at your house and all of the times I had a cough and would hold it in so you wouldn't give us Robitussin 😭 I will cherish all of the memories of you and I thank God we were able to have you for 81 years. Love you!
