Rest well in Heaven my dear Godmother Dorothy! You've earned your wings and are now whole in the arms of God. As I remember our last phone call a few weeks ago, you seem to be preparing. You talked about cleaning up the bedroom across the hall and putting things away....things that you KNOW you didn't have to do right then. I will miss your voice, your laugh, and you always reminding me that every day is a blessing from God. I love you, and will always carry your spirit in my heart. Rest in Heaven!
