“ Sister-in-law : Fate smiles upon me the day that you became my sister-in-law, from the beginning, I felt at home in your presence..., and I knew in my heart that the two of us would grow closer through the years..Now, as I look back in time, I am reminded of just how much we shared, and I am grateful that I was blessed with a sister-in-law whose warmth,thoughtfulness,and sense of compassion, served to make my days brighter. You will be truly missed. Love Sandra Steed McGilbra

“ Mrs. Steed was one of Greatest people in my life. She was one of the parents that raised us bad kids in the neighborhood. When my parents didn't have eyes on me, she had eyes on us kids. She was loving and caring person that always made you feel welcome to be around her. It's so much I can say about her but it would be a book. To my, like my Blood Brother, Marcus, she will be missed... - Your Brother for life, Seth
