“ *I remember the last time I saw you. I was frustrated because I had to attend a work event that I didn't want to go to. When I stopped by your house right before my event that day, I felt so much better. You were so warm and welcoming, I didn't even want to leave. You have the warmest smile and a genuine way of making people feel loved and accepted. I look forward to seeing you again!*

“ Dawon, I was heart broken for a brief moment when I heard Lisa had passed away. I had received a call from Dalano and then Anthony both who had a great since of alarm in their voice asking me "Mama did you know". Lisa lived the life God gave her well, and I know without a doubt that she is with your father (GOD-PAPA) looking down on all of us. Our prays are with you during this time.

Love you always,

Ms. Janiece Gage, and your god-brothers.

“ *RIH Lisa. God's work for you was done and those who loved you will truly miss you. I watched you grow from a teenager to a queen and a woman of God. To be absent from the body is to be present with the Lord. Rest my friend.*

Dewone and Barbara may you be strengthened and comforted knowing that Lisa knew the Lord.
