“ Sometimes I sit back and think about you and I have to come to the realization that you're no longer here with us.

I don't get to hear that crazy laugh, or you cussin" somebody out, or taste that good food you always made. You stayed with my mama when I was in high school and those were good times. You used to let me drive your car around corners which meant the world to me back then. When I would get into arguments w/ppl you'd tell me I was too pretty to be acting that way. I can't forget you singing and dancing to Michael Jackson in the mirror in the living room over grandma's house, making everybody laugh. You running those famous card games that we all recall so well. I will be comforted in those memories of you. You are terribly missed by so many.

I MISS YOU SOO MUCH UNCLE WAYNE! I can put my mind at ease because I know you're no longer in pain and YOU made the choice that YOU were ready & you were tired. I still can't help but be selfish and say I wish you were still here with us. I LOVE YOU & HAPPY HEAVENLY BIRTHDAY UNCLE WAYNE! I know you're up there dancing and partying with the rest of the family!

Love Always Your Niece "SHEEKIE"
