*Monday When told by Funeral Home in Pontiac that the scheduled 10:00 AM meeting had NOT been kept; we purchased a Cemetery Plot at Springfield AME in Florida next to her Brother James Monroe Barkley Jr. Now that arrangements have been revealed; I will continue with my Memorial Headstone for my mother in Florida . If her remains were to be desired here she Has a place to lay. Today during Dialysis My doctor's advised me not to travel due to my health and Corona Virus (Delta). The Plot is paid for and Headstone will take 12 weeks to complete. I will have a private memorial for her in December near or on her Birthday to continue her Tribute. Any family and friends will be welcomed to pay respect with her Florida Family always.*

But you Fried it and I LOVED IT HAHA. That night when we went to bed you Literally tucked me and Bee in Bed with several blankets! I was so humbled .I never forgot that. You also fed my grandson Jordan. I'm glad when I my mom passed Bee took me home and brought Jordan to see you. Rest well and say hello to my mom. And hope to see you again on the other-side.*
