“ I thought you would be gushy because Monty was my best friend in the Army. But that was the furthest thing from the loving teasing that I received from you both - at once! I laughed until my insides ached - and 30+ years later you remained consistent & I will cherish the memories forever. Rest In Peace, Mrs. Woods ☐

“ We, The McAlpine Family, would like to offer our sincere condolences to the Woods Family. Earsia came to give us support during a time that was most welcomed as well as most needed. We loved the great stories you would tell us about our upbringing from years back. As one would say, "The good Ol' Days.

Our Prayer is for Earsia to rest peacefully in his Holy Kingdom. Our prayer for the entire Family is that you Look to him (Our Lord and Savior) for Comfort!!!

“ Earsie you were my big sister, my entertainment, I even visit you one Thanksgiving when I was chilled to the bones, I remember you and James took me to the hospital when I was pregnant and you had me laughing all the way into delivery, you spent 2 weeks caring for muddee when we needed you to, But I can't forget when you almost landed in the ditch when you pick me up from Detroit Airport because you said you couldn't see at night , but if we landed in the ditch we would all know it😂😂😂😂

We offer our sincere condolences in the loss of Earsia. She was always there attending services of our great loved ones. We will certainly miss her spirit and her long talks of the Good 'Ol Days with my older siblings.

Our Family certainly understand what it is to lose a dear, reliable loved one. We know it is God who sustains us to deal with the heavy blow.

“ *O God. How I looked forward to you coming to Alabama to visit me and Leo. You were such a help to have around. You never got tired of going. You were so knowledgeable about so many things. You were willing to help the family out when someone needed you. Like the time you spent with Shenata after her baby..There are so many funny and wonderful memories to treasure. Happy Homegoing Sis. Until we meet again.*

Yes. I loved her and I'm truly grateful. From my fun summer with her in Pontiac, to her flying in to Charlotte like Mary Poppins just so we could go on vacation, she didn't disappoint. I'll miss my one of a kind Aunt Earsia. Rest In Peace

*“Earsia, friend and confidant. We worked, worshiped, and socialized together. Many times we would shop and dine out with our children. We were family. Earsia will be deeply missed. I knew Earsia to be loving, kind, and supportive as she was during my last visit to her home in Aug., 2019. My heart is sadden beyond measure that due to the pandemic, I will be unable to attend her Home going Celebration. To Monty and the entire Woods family, Let not your hearts be troubled for Earsia is in her New Home for the Word of God assures us that when we are absent from the body, we are present with the Lord. TeSha and I pray the spray sent through From You Flowers will be of some comfort.

“ Earsia was such a nice sweet person and very comical in her own way. She had such a great sense of humor and loved her family and her church family.

I pray that the holy spirit will give you peace and comfort during this very difficult time. We will all miss her presence from her special seat at church but we can rejoice in knowing she loved the Lord and has received her reward of eternal life in heaven. RIP my friend.
