“ Thank you Mr. Eddie for all the questions you asked me and thinking I knew all the answers; your questions to me about space ships, how large ship float in the ocean and science fiction, just to name a few. I didn't have all the answers but we had some great conversations. Thank you for allowing me to help plant your garden when we first met and hanging your Christmas lights. Thanks for tucking me in bed one night I stayed at your house because you said you didn't want me to be cold.

Now that you are in the presence of the Lord; you have all the answers.
