“ 🙏 *With a heavy heart I leave this message to the family and friends of Mr Eddie Phillips Jr.*

I'm Eurica Millhouse and worked with Eddie at Stellantis CTC for many years. We were always met with a cheerful greeting and a true concern of how we were feeling that day.

About six to eight of us would sit in the time clock area and look forward to our loud, funny conversations at the end of the day.

My hope for the family is that they find comfort in knowing that Mr. Eddie was not just our co-worker, he was a part of our work family and is still missed everyday.

Again my heartfelt condolences to his family and friends RIP 📯🕊️
