“ I remember growing up in church when my family first moved here and Hna. Edelfina is what we called her. She was a cute short elderly bundle of joy whom never had a mean word and would always great you with love and a never ending smile that would light up the room. I remember her love and faithfulness to God as she would with praise God with no care in the world as to who was or wasn't. She would always clap off beat and so quickly back and forth side to side, you couldn't help but to smile because you could see Gods love all over her. Now she can clap it away in heaven. You'll be missed Hna Edelfina. ❤️
